DATA

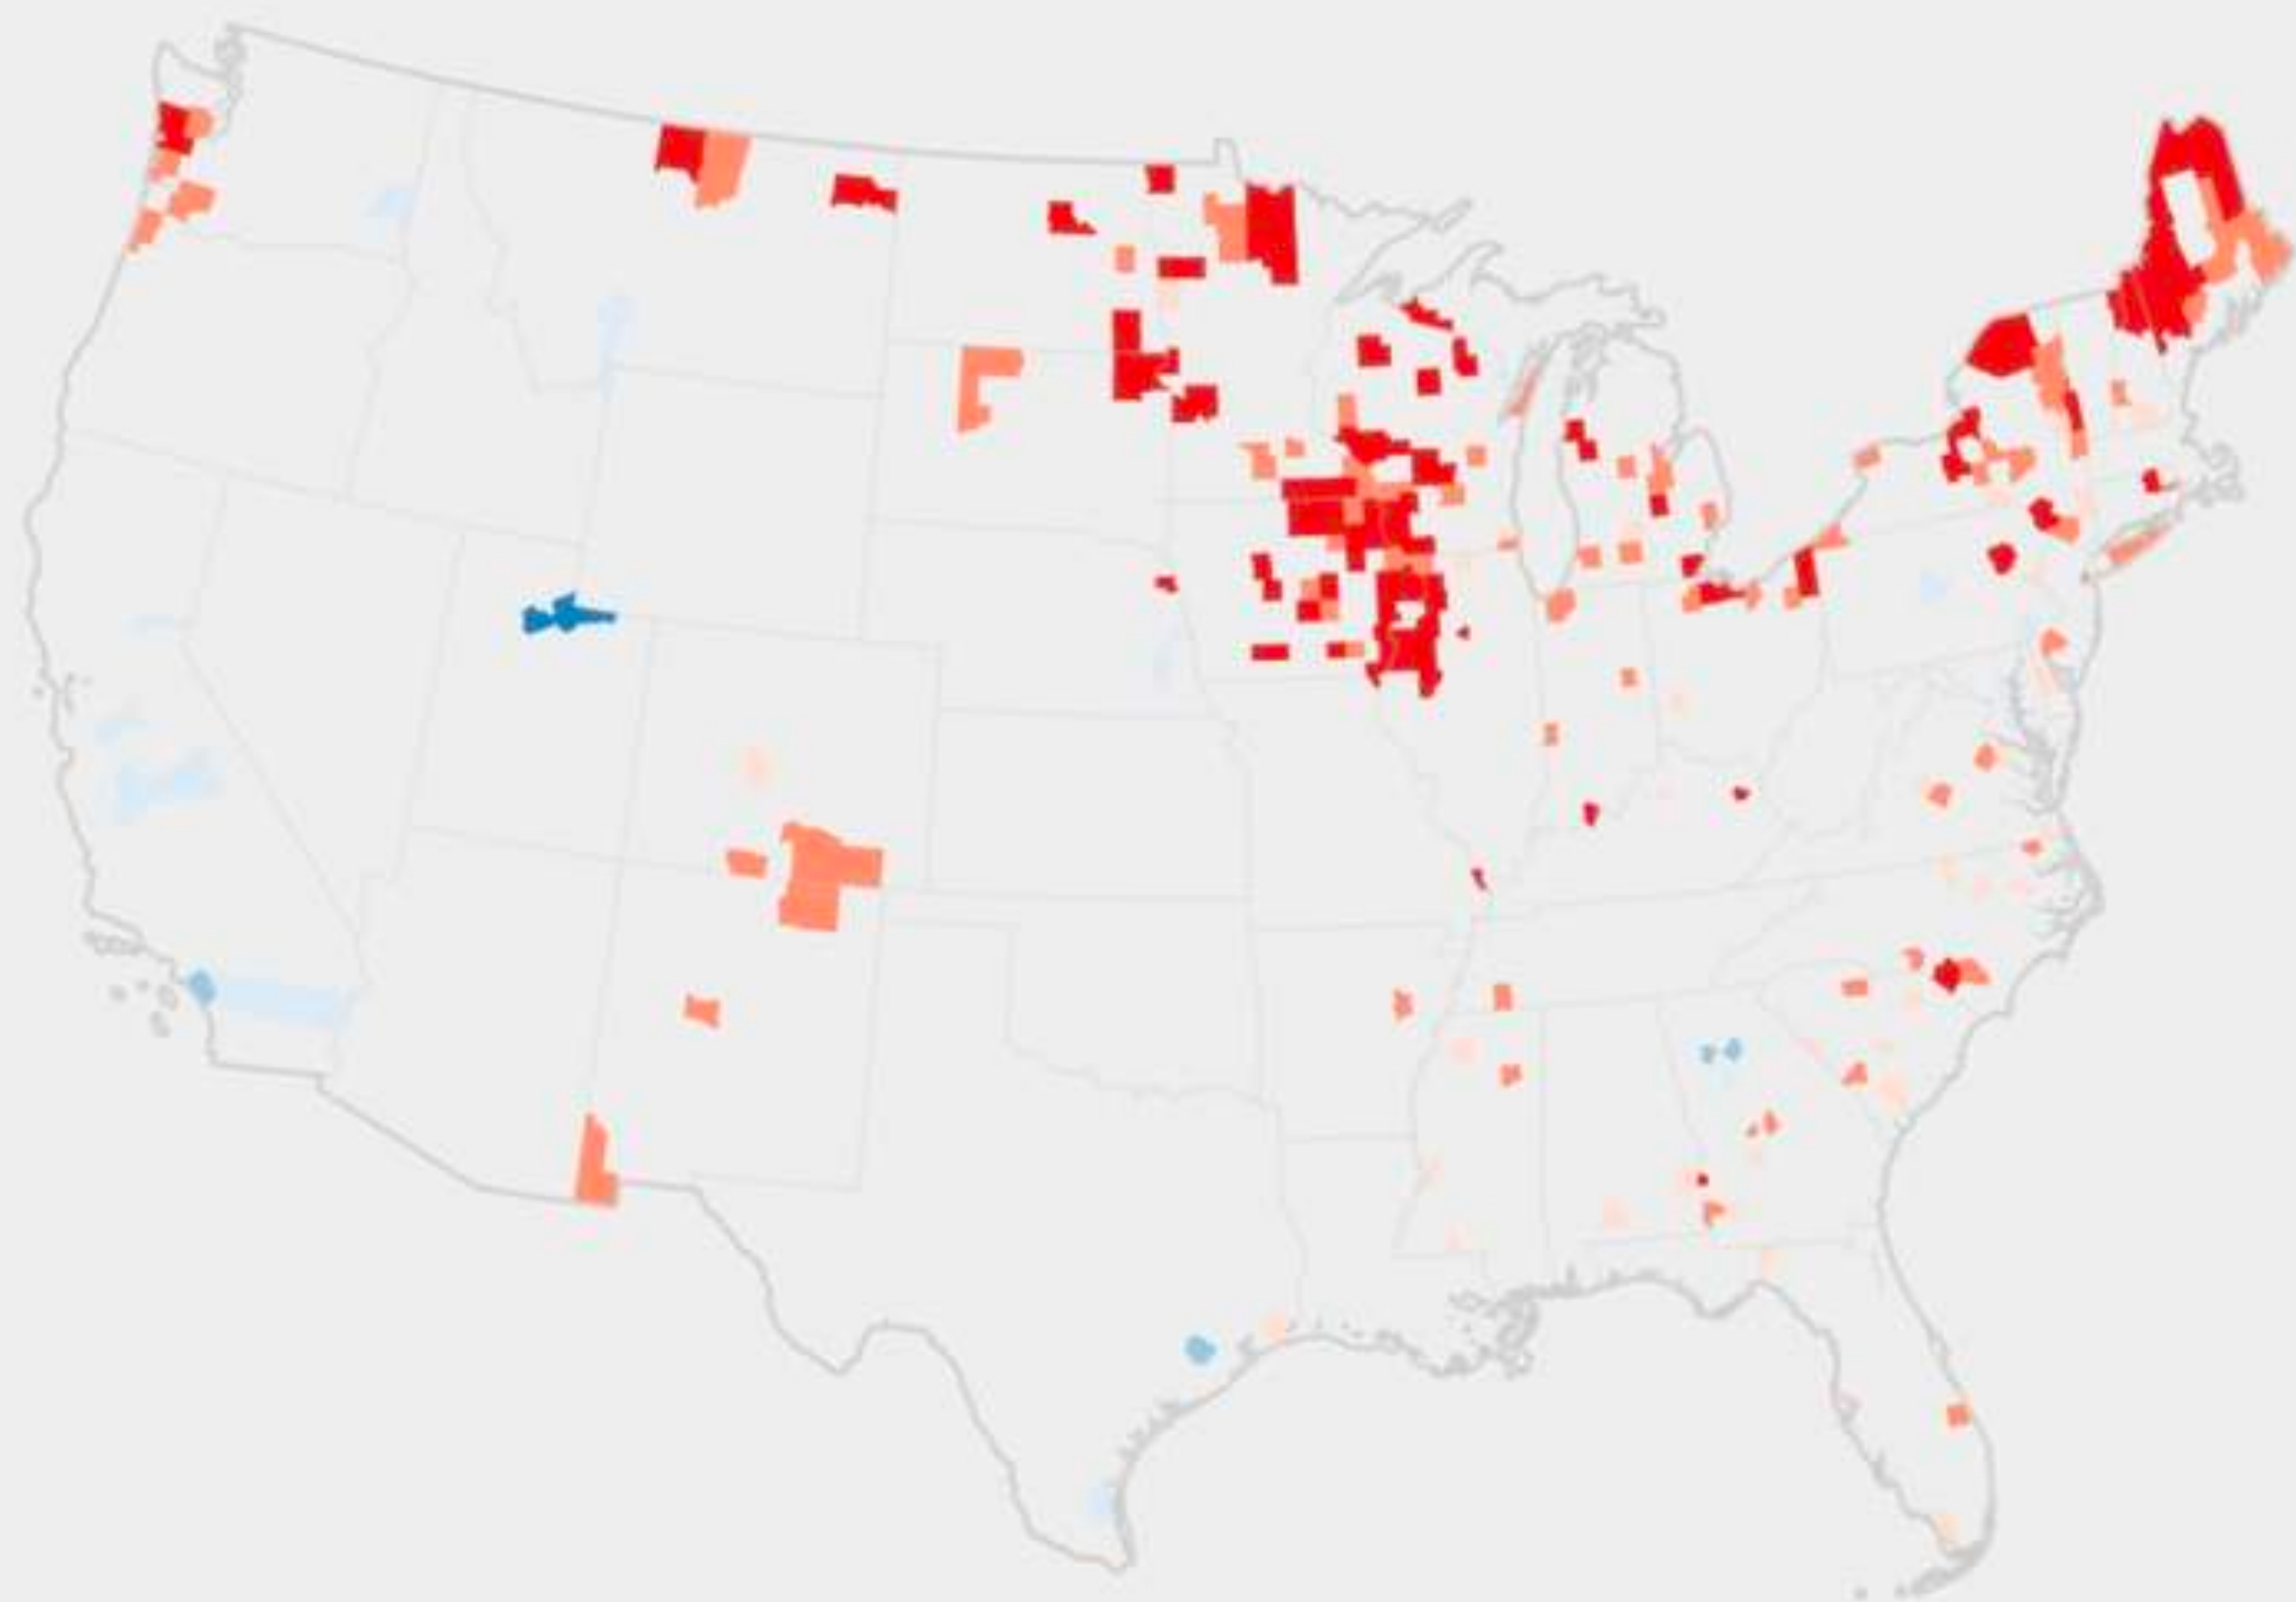

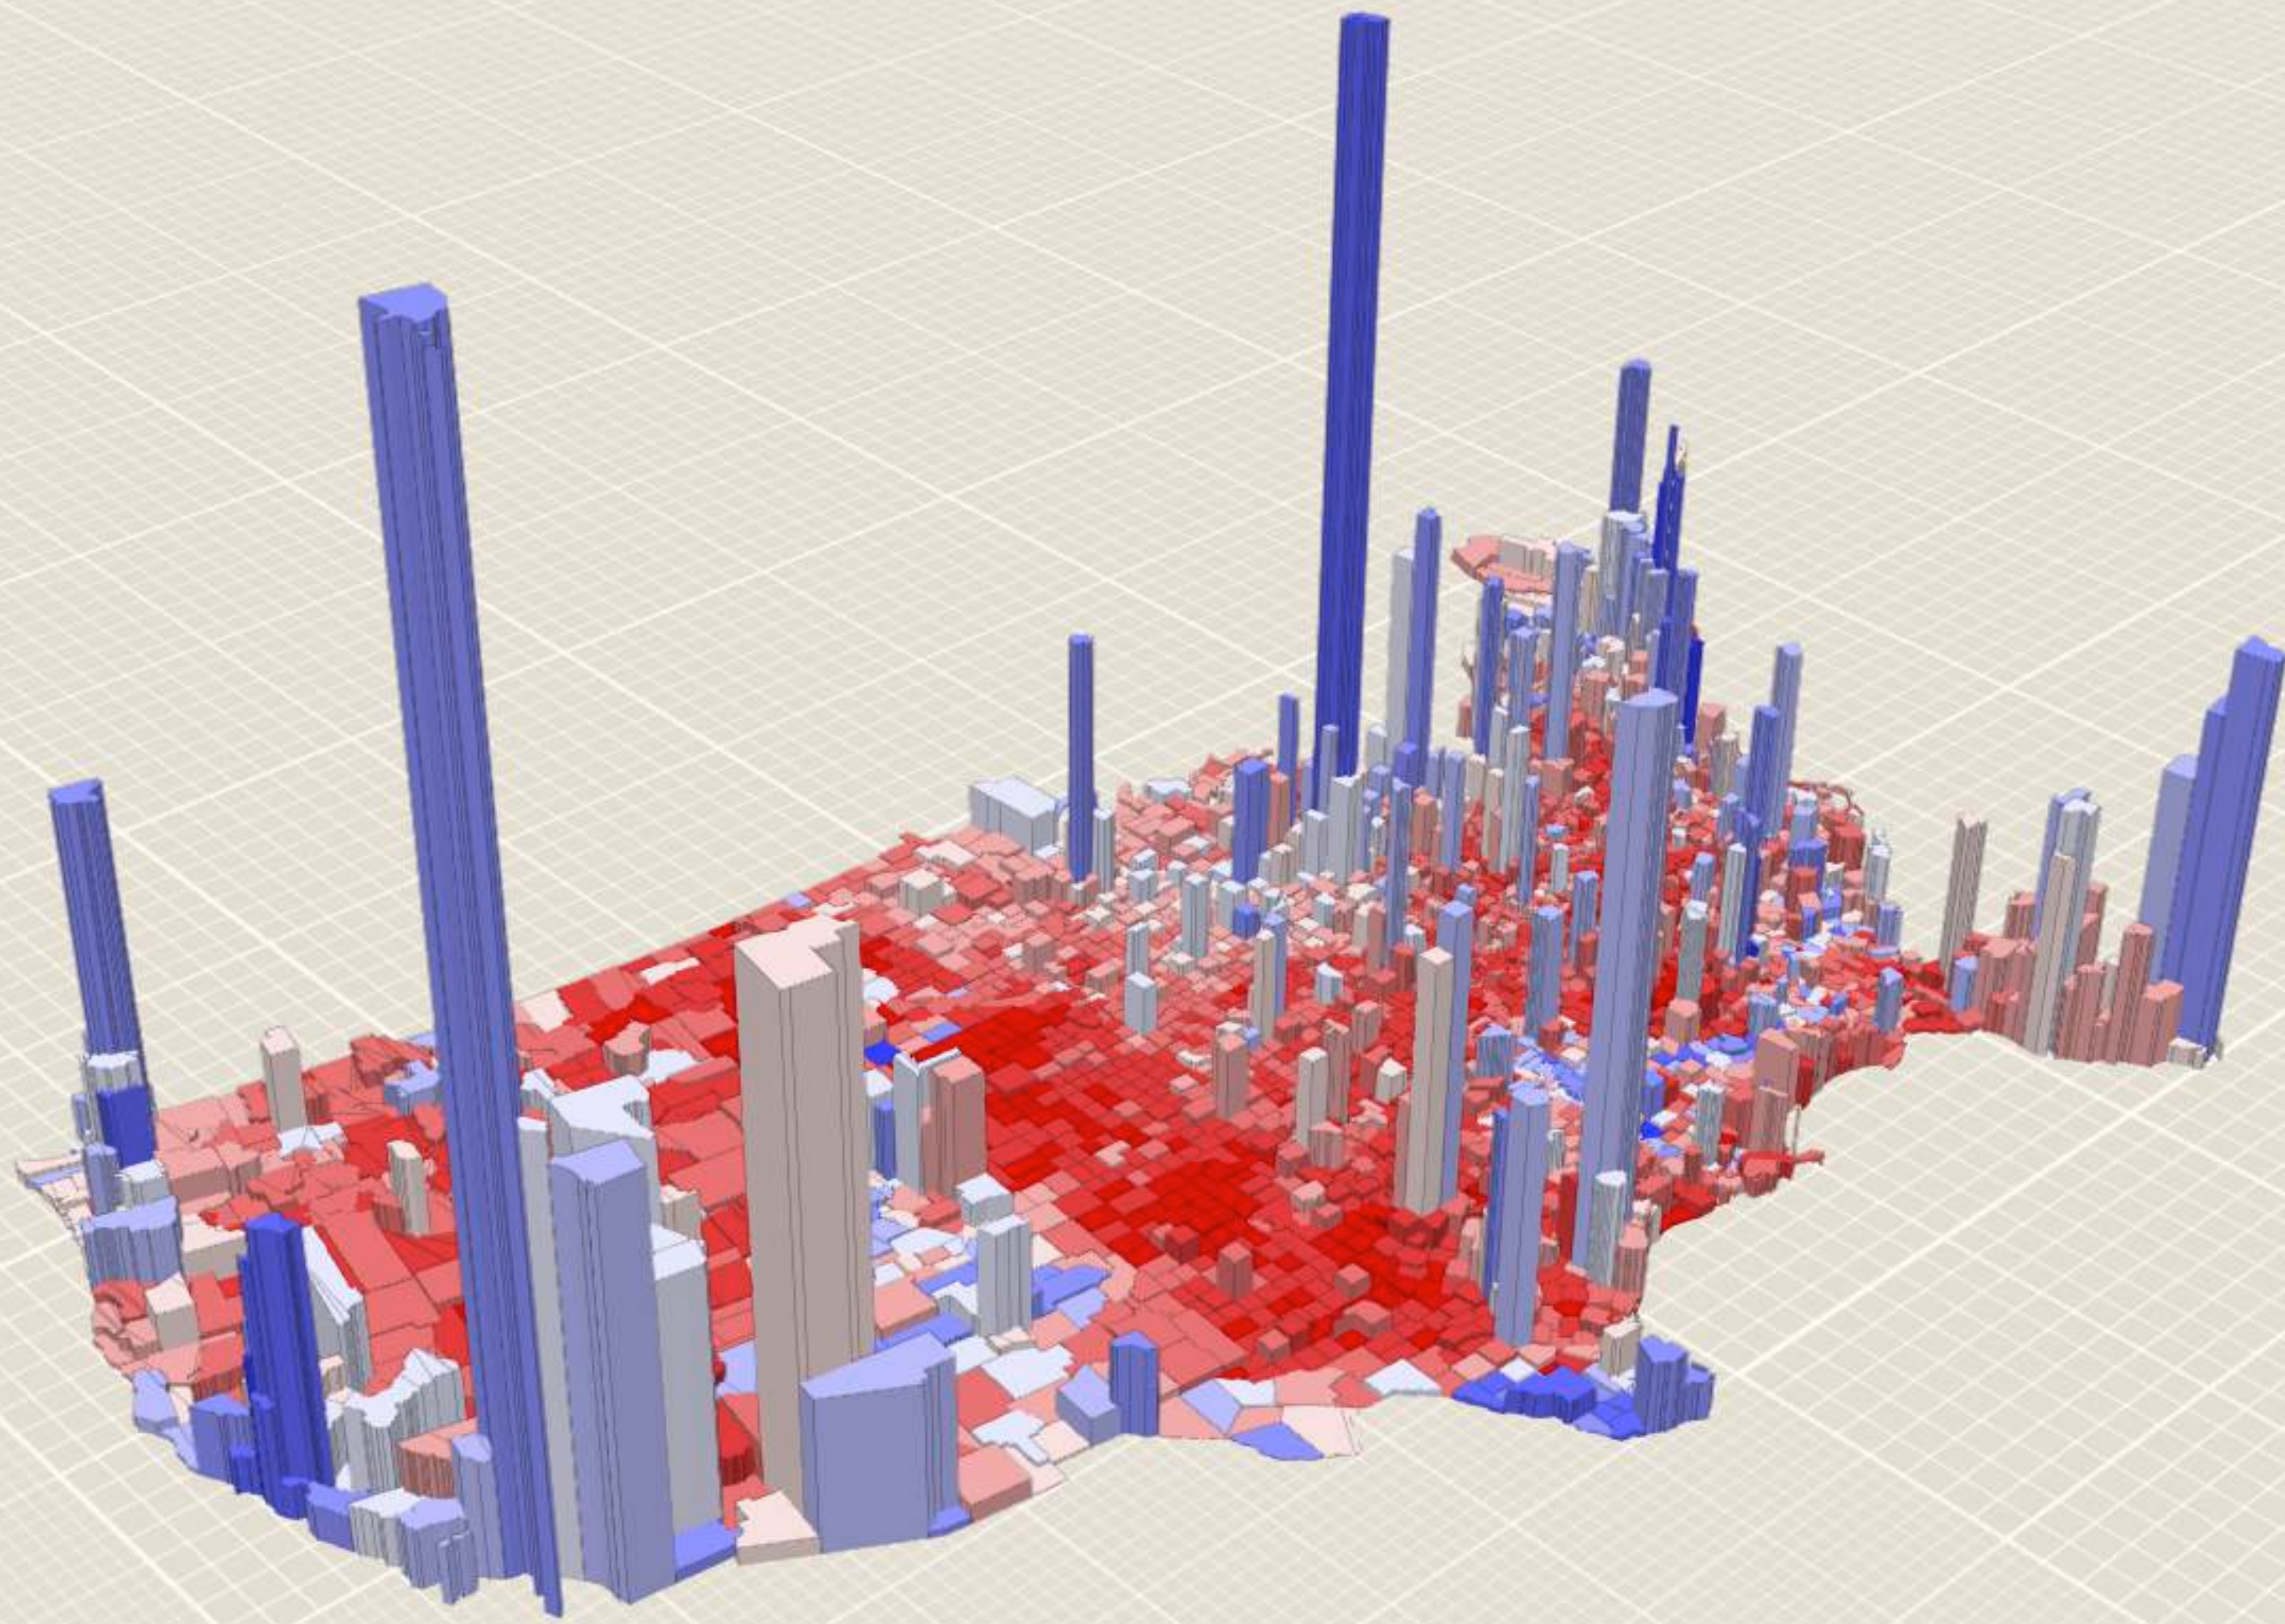

A network diagram with white nodes and lines on a green background. The nodes are connected by solid white lines, forming a complex web. Some nodes have dashed white lines extending from them, suggesting connections to other parts of the network. The text 'DATA + ANALISIS = INFORMACIÓN' is written in large, bold, white capital letters across the center of the image. The plus sign and equals sign are slightly larger than the letters. The word 'INFORMACIÓN' has an accent mark over the 'O'.

A background image of an ATM machine. A hand is inserting a Visa credit card into the card slot. The card is light blue and white with the Visa logo. Above the slot is a sign that says "INGRESE TARJETA" with an upward arrow. The card has "BancoEstado Cuéntaput" and "PLUS TARJETA" printed on it. A green light is visible around the card slot. In the background, a person is partially visible at another ATM.
